

Oleksii ZHMERENETSKYI
Ukraine
Member of the Verkhovna Rada of Ukraine

**Candidate for the
Standing Committee on Sustainable Development**

Kyiv, 15 April 2021

Dear Colleagues,

It is with great honor that I submit my candidacy for the vacancy in the Standing Committee on Sustainable Development in the Inter-Parliamentary Union.

As a people's deputy of Ukraine, I am currently a member of the Committee on Anti-Corruption Policy, Chairman of the Blockchain4Ukraine Inter-factional Parliamentary Association implementing blockchain technology to prevent corruption at all levels of governance. Together with the colleagues from the Verkhovna Rada of Ukraine, we are developing the innovative democratic laws for the sustainable development of Ukraine and establishing strong inter-parliamentary diplomacy to promote global development.

During my career as an expert and advisor on innovations, gender politics, and economic development, and as a Deputy Director of state enterprise in the framework of National Projects for creation of free economic zones, industrial and technological parks I studied international experiences and strategies of economic development. I also learned about the most successful ways to implement the laws regulating sustainable development.

My spheres of interest in the Parliament of Ukraine are Human Rights, economical development, environmental policy, sustainable growth. Our team's legislative agenda includes achieving economic growth based on the analysis of the best practices of developed countries.

As a member of the Ukrainian delegation at the Assembly of the IPU, I would like to offer my knowledge, experience, and enthusiasm in the service of Sustainable Development to improve the lives and well-being of people around the World. I believe that the inter-parliamentary dialogue is an important instrument for attaining the goal.

It would be my great honor to be appointed as a member of the Standing Committee on Sustainable Development and I will make every effort to retain your confidence.

Thank you for your time and support.

Oleksii ZHMERENETSKYI
